

Got Empty Bottles?

We got an Award!

**Over €1500!
Raised!!!!**

St. Olaf's has been awarded Exemplary School due to the amount of bottles we collected!! We are the only school in Ireland to achieve this award!

But we are not finished! Please continue to support our fundraising efforts by dropping your empty bottles in the bins outside the prefab at the back of the school.

Some of our projects!

"Pitch In and Re Turn"

We have joined forces with local business who are supporting our fundraising effort and helping us return our bottles.
